

# CSR24

*Stay in touch with The Starr Group...even AFTER hours!*

**L**ets face it. The building, construction and remodelling industries don't keep "banker's hours." Landscapers and builders need to "make hay while the sun shines" and often times that means working longer hours during the summer and/or on weekends during the winter months. Your work doesn't stop at 5:00 p.m.

The Starr Group realizes that purchasing of company vehicles or workman comp claims can happen long after our doors lock for the day. That shouldn't stop you from getting your work done. That's why we've introduced CSR24!

## Anytime, Anywhere

CSR24 provides an online portal for anywhere, anytime access to insurance information. You can immediately view your

policy online, request changes, submit and review claims, and issue your own insurance forms, such as auto ID cards and certificates of insurance.

- The portal organizes documents to meet YOUR individual needs
- Client requested policy changes are sent to us as an email with an attached request form.
- Forms can be forwarded to additional recipients

## Mobile Access to Insurance Information

CSR24 enables you to access your insurance information on iOS and Android smartphone devices. Available at the tap of an icon, clients will have quicker, more convenient access to insurance information while on-the-go.

- Secure login makes it easy to access confidential documentation

## Easy to Use

CSR24 is easy to access and use on computers and mobile devices. Our website provides simple step-by-step instructions to access your Commercial or Personal accounts through your computer or mobile device.

We've added the online CSR24 service as an **option** for customers who need to access their information after office hours and on weekends. To be honest, some people don't like to wait on "Hold" to get proof of insurance when they're standing at a dealership ready to purchase a new vehicle. That's where the CSR24 option comes in handy. The Starr Group is always looking for the best ways to serve a variety of clients.

Of course, CSR24 doesn't replace the quality, human interaction you've come to expect from The Starr Group. Rest assured, you can contact us whenever and however you need to! ☺
