

A Fair Day on the Fairway

On July 19, Milwaukee NARI members took to the Green at Ironwood Gold Course in Sussex for the annual NARI Foundation Golf Outing. Storm clouds were heavily threatening early, but by tee-off time, Shotgun play began under a clear blue sky. The mid-summer day warmed up perfectly for a relaxing round of fund-raising.

The Starr Group contributed to the event by again sponsoring the dinner and a hole this year. Set up on 7 Meath, the Par 3 hole had a slight uphill distance of 144. Golfers were greeted by two members of The Starr Group staff who handed out complimentary Golf Kits consisting of hand wipes, aspirin, ibuprofen, bee sting wipes and personal toilet paper rolls. The bee sting wipes came in handy for one golfer, though we have nothing to report about the TP!

Golfers waiting to play through had the opportunity to spin a prize wheel to win other items such as golf gloves, balls, tees, Starr Group backpacks and puzzles, or the ever popular Rubber Ducky.

It was great to see many of our old friends play through, and we were introduced to many new NARI members as well. The day allows to interact with our customers in a more casual setting. Many positive comments were made about service from **The Starr Group** and **Frankenmuth Insurance**, co-sponsor of our program which benefits the

Milwaukee/NARI Foundation. Questions and concerns were raised as well. All feedback from the community is welcomed as it helps us become better stewards for insurance protection.

After the day on the course, players gathered in the Party Barn behind the Clubhouse for the Silent Auction and raffles. Awards were given for various feats as longest drive and putt. A foursome from The Starr Group won trophies for lowest overall score. Congratulations to Commercial Insurance Counselor Mark Pohlman and Commercial Account Executive Brendt Johannsen and their golf partners Dan Stuck and Mike Quartana.
