

Protecting Wisconsin Families and Businesses for 60 Years

When **Robert Starr** opened his personal insurance business in 1956, he knew what was most important to his neighbors, because he was starting a family of his own. It wasn't enough to have food on the table and a roof over their heads. He knew that home and the family inside needed proper protection. Robert built The Starr Group on the foundation of family, and in 1981 his son, Tim, joined him in business.

Tim Starr realized family stability generated from a solid work environment. Tim's focus on the protection of businesses and their employees has provided the best Commercial Insurance, Risk Solutions and Group Benefits for companies throughout southeastern Wisconsin.

Joining the agency in 1985, **Mary Starr** champions "Corporate Culture" and is the catalyst of The Starr Group's Wellness program. The results speaks volumes with recognition like the 2011 BBB "Torch Award for Ethics", to being named the 2015 "Best Place to Work For - Midwest" by the *Insurance Journal*. "It's our great group of employees," Mary says, "that makes it all possible."

With role models and positive affirmation like that, it's no wonder Robert's grandson **Nick Starr** followed into the family business in 2011.

Today, **The Starr Group** boasts a staff of 35 highly qualified individuals, certified, licensed and specializing in every aspect of Personal and Commercial insurance and Group Benefits.

As we celebrate this milestone, **The Starr Group** would like to thank all its loyal customers for their contin-
